Jim Cunningham

Jim has 18 years as a race marshal in all snow and dryland categories. He has his accreditation as a race marshal from the Siberian Husky Club of Canada and the International Federation of Sleddog Sports. Jim is just coming off a four week tour of Norway and Sweden where he was a race official at three different IFSS/WSA World Championships and most recently just travelled to Chile to officiate the Latin American Dryland Championships. He looks forward to comparing the approx. 2000 dogs he has seen in the last three months to the competitors 's dogs in this years showcase.

Jaye Foucher

Jaye Foucher of Sibersong Sleddogs has been racing siberian huskies since 2003. She began breeding a few years later and her team and kennel now primarily consists of 2nd and 3rd generation Sibersong dogs. Jaye has finished many mid-distance races including multiple Can-Am Crown 250's, Beargrease Marathon, UP 200, Défi Taïga 200 and others. After spending a season in Alaska training Jaye plans to race Iditarod in 2023! She has also participated in AKC conformation shows and enjoys working with her dogs in obedience during the warmer months. Jaye has been the president of North Country Musher's in NH for the past 10 years.

Marcel Garneau

Marcel's love of Siberians started in 1979 as a spectator at the Marmora Cup Sled dog Races . That interest continued to 1995 when he got his first purebreed , Timber . It quickly grew from there and he added more to his kennel including a breeding of 3 pups . He then borrowed a number of Sibs from a fellow racer to train and develop sprint race teams participating in all of the regular Ontario races and some in the US . In the mid 2000's Marcel learned to ski-jor and raced with his two dogs in various Ontario events . With his passion and interest in the sport , Marcel wanted to continue his involvement and became the Timekeeper at dryland and snow races including MacGregor , Keamey and Haliburton.

Scores will be tallied ringside. The top four places in each class will be awarded. If there is a tied score the judges will choose which dog is that placement winner.

Following the completion of the classes, the top 10-point earners will return to the ring (Top 10 Award). After the Top 10, the first-place winners from each class will come back into the ring for judging and award of Best In Showcase.
